

Levelland Independent School District

2025-2026 Extracurricular Code of Conduct

1. Extracurricular Activities: General Provisions

What is an Extracurricular Activity?

- < Any University Interscholastic League (UIL), School District, or campus-sponsored or related public performances, events, contests, demonstrations, displays, club activities, athletics, whether on- or off-campus;
- < Any elected offices and honors (such as student council and homecoming queen);
- < All co-curricular activities, which are those held in conjunction with a credit-bearing class, but that may take place outside of school and outside of the school day (such as band and choir);
- < All national organizations (such as National Honor Society or Future Farmers of America); and
- < Any activity held in conjunction with another activity that is considered to be an extracurricular activity (such as a meeting, practice, or fundraiser).

Why are Extracurricular Activities Important?

- < They promote self-discipline, responsibility, leadership, teamwork, self-confidence, commitment, and student wellness.
- < They enhance and enrich curricular educational offerings.
- < They offer participants the opportunity to be leaders and role models on campus and in the community.
- < They enable participants to represent the School District in a positive manner.

2. Jurisdiction

Who is Subject to the Extracurricular Code of Conduct?

Any student who participates in one or more extracurricular activities is subject to the Extracurricular Code of Conduct (ECC). A student is subject to the ECC from the time he/she is selected for, elected to, or otherwise joins an extracurricular activity and continues to be subject to the ECC from that point forward unless or until the student no longer participates in extracurricular activities.

When Does the Extracurricular Code of Conduct Apply?

The privilege of representing the School District carries with it a greater responsibility to conduct oneself with respect and dignity, and to serve as a role model for all students. Consequently, extracurricular activity participants are expected to comply with the ECC at all times, regardless of location. This includes both on and off-campus conduct as well as evenings, weekends, holidays, and summer vacation.

3. Conduct Expectations

What is Expected of Extracurricular Activity Participants?

Participants in extracurricular activities are representatives of the School District, and must conduct themselves in a manner that reflects positively on the School District at all times. Specifically, they must:

- < Maintain an average of 70% or better in all academic courses, except as provided in District policy FM (Legal), and any student who is ineligible to participate in an activity due to poor grades for two consecutive six-weeks grading periods may be removed from extracurricular activities;
- < Be punctual and prepared for all games, practices, meetings, performances, camps, and/or other scheduled events related to an extracurricular activity;
- < Treat all school property with respect and ensure that school property is returned upon request and in good condition (excluding reasonable wear and tear);
- < Abide by the District's dress and grooming standards for students as well as any dress and grooming standards applicable to the specific extracurricular activity;
- < Comply with UIL rules, including those related to random steroid testing, if applicable;
- < Not participate in a second activity if the student has quit another activity until that first activity has concluded;
- < Not participate in another activity for one calendar year if the student has quit two activities in one year.
- < Be courteous and respectful toward all fellow participants, school faculty and staff members, spectators, parents, and officials, whether from Levelland ISD or from any other school district;
- < Provide 24 hours advance written notice to the coach or sponsor of an activity if they are unable to attend a game, practice, meeting, performance, and/or other scheduled event related to the extracurricular activity;
- < Complete safety training and maintain certification as required regarding: the use of automated external defibrillators (AED's), recognizing the symptoms of injuries, and the risks of using dietary supplements;
- < Comply with all rules and guidelines in the ECC and those established for a specific extracurricular activity in which the student participates;
- < Abide by any curfews set by an activity coach, sponsor, or chaperone;
- < Comply with and adhere to the behavioral standards identified in the District's Student Code of Conduct.
- < Behave during team transportation, e.g., they will keep the vehicles clean, will not yell or extend their arms and/or legs out of the windows, or throw any objects inside or outside the vehicle.
- < For athletes suffering from injuries, abide by the following:
 - No student will receive treatment during athletic periods unless injured during that period (exception – students having signed notes from doctor or trainer);
 - The trainer will be on duty 30 minutes before school and one hour after the last practice of the day, and students who are injured must see the trainer at these times or other times as designated by the trainer;
 - Students who do not see the trainer in the morning or after school will be assumed to be healthy and able to return to full workout status, unless notes from a doctor indicate otherwise.
 - All insurance claims for athletic injuries must be routed through the trainer to ensure that any medical expenses are covered by the district's insurance—Parents/student are cautioned not to incur medical expenses of any sort before checking with the trainer.

In addition, any consequences that were assessed during the prior school year for which the student owes additional suspension or behavior contract time must still be completed. Suspension days cannot be served during summer months and will be carried over to the start of the next school year.

6. Procedures

Who Determines that a Violation of the ECC has Occurred?

The activity sponsor or coach will determine whether a violation of the ECC has occurred and will assess the appropriate consequence. ECC violations that also constitute violations of the District's Student Code of Conduct will be assessed by the student's campus principal or designee.

How will Consequences be Assessed for Different Violations of the ECC?

Consequences for violating the District's ECC are assessed based on the severity of the violation and the commission of prior ECC violations.

Is a Student Entitled to Participate in Extracurricular Activities?

No. Participation in extracurricular activities is a privilege, not a right. As such, a student's participation may be revoked at the District's discretion.

How Will Parents be Notified that a Violation of the ECC has Occurred?

Parents will be notified of all violations *that result in suspension from participation* in extracurricular activities. The activity sponsor or coach will contact the student and the student's parent via telephone or face-to-face conference within 5 school days from the time the activity sponsor or coach learns of such a violation. At this time, the activity sponsor or coach will inform the parent and student that a violation of the ECC has occurred, discuss with them the applicable consequences, and give the student an opportunity to respond to the allegations.

What if a Parent Does Not Agree with the Decision?

All appeals will be addressed through the District's complaint process, contained in policies FNG (Legal) and (Local). A decision of the Levelland ISD Board of Trustees regarding an extracurricular activity complaint is final and is not appealable.
