

# *Mentors & Mentees*

## *End of the Year Party*

Join us to celebrate  
the 20-21 school year

**June 1, 2021  
3:30pm-5pm**

**Browning Middle  
School Cafetorium**

**Menu: Indian Tacos**

The BPS Teacher Mentor Program wants to take this time to celebrate each and every mentor & mentee for successfully making it through the 20-21 school year. We want to provide you an Indian Taco meal and the time & space to visit new acquaintances and/or catch up with old friends. This will also be a time to turn in time sheets and folders for this school year. This will be an

informal celebration-you can come and pick up an Indian Taco and hit the road or you can sit around and visit-either way we just want to acknowledge your hard work and celebrate the school year. We are also encouraging a Plus 1, please let Colleen know in advance if you plan to bring someone to join you. Come check out the new BMS addition as well. We hope to see you all there!!!
