Manzanita Little Apple,

On behalf of the Nehalem Elementary School, I would like to thank you for your ongoing support of our Backpack Program. Our goal of bridging the weekend food gap could not succeed without support from others.

The weekly donations of a case and a half of Top Ramen helps us stretch out our budget so we can offer more to our families in need. Working together we were able to fulfill Nehalem Elementary School's mission to support children and families so they can focus on loving to learn!!

It is the spirit of giving back to the community that helps us make it through the ebb and flow of these difficult times.

I look forward to your continued support as we navigate a new year!

Best Wishes,

Heaven Hartford
