

Board of Education
Van Alstyne Independent School District
Van Alstyne, Texas

Date: June 20, 2011

Subject: Electric Contract

Background Information

Our electric contract for the Elementary and Middle School runs out next May. We can wait until then or blend to a new contract in the near future. The rate of the contracts change on a daily basis. Many districts authorize the Superintendent to negotiate a contract in order to authorize a contract at what is predicted to be a low rate time.

Administrator Recommendation

I request the Board authorize me to negotiate an electric contract on behalf of the Board. When finalized I would bring it to the Board as an information item.

Sample Motion

“I move the Board authorize the Superintendent to act on the Board’s behalf to negotiate an electric provider contract for Van Alstyne ISD.”
