Board of Education Members,

It is my recommendation that the last day of the 2024-25 school year be May 21st for K-12 students. Students will be in attendance for 3 hours and breakfast will be the only meal provided. Our PreK students' last day will be May 20th and it will be a regular school day for them.

Sincerely,

A handwritten signature in black ink that reads 'Dr. Kristen Weikle'. The signature is fluid and cursive, with the first letters of 'Dr.', 'Kristen', and 'Weikle' being capitalized and prominent.
