Objective 1.3: Safety and Wellbeing

**Summary:**

Texas Education Code 37.001(a) requires each school district to adopt a student code of conduct that specifies standards for student conduct and outlines prohibited behaviors. The Grapevine-Colleyville ISD Student Code of Conduct was created using a model developed by the Texas Association of School Boards (TASB) with consideration of our local policies and reviewed by Leasor Crass, P.C. New legislative updates, minor format changes, and minor edits were needed for the 2025-2026 school year. Minor edits consist of changes that do not alter the context and meaning of the existing text, but rather add clarity or depth of explanation.

Highlighted updates for 2025-2026 include:

- HB 1481 – personal electronic communication devices
- Updates to Chapter 37, such as student removal parameters, vaping consequences, expanded offenses that result in a mandatory DAEP placement, and updates to requirements for the Campus Behavior Coordinator
