Activities:

The first couple of months have been fairly busy. The students are not in the routine yet and some of the issues I have been seeing are driving behaviors and poor behaviors in the class rooms. We have had several fights in the schools - five at Minico, three at Mt. Harrison, and two at East Minico. These are the ones I have been called about. I have had to issue several parking lot warnings almost every day at Minico for students and teachers in the back parking lot.
