

Soda Springs School District No. 150 will receive and admit students transferring from outside of the district whose tuition is paid by the district in which the student resides, or waived by this district or other legal obligation, except when such transfer would constitute a hardship on this district or the receiving school within this district.

HARDSHIP

The district may deny out-of-district student enrollment for circumstances that constitute a hardship including, but not limited to, enlarged student-teacher ratios; overcapacity of any program, class, grade level, or building; or to protect the health, safety, and welfare of its existing students and/or its educational processes.

This district is concerned about its class size and the effect enlargement of the student-teacher ratios will have upon the educational program. Therefore, this district has determined that admission of students in excess of the following ratios would work a hardship on the district, its teachers, staff, students, and educational program:

<u>Grade</u>	<u>Ratio</u>
K-3	20:1
4-6	26:1
7-12	160 students per teacher per day
Exceptional Students	12:1

The district will not consider previous academic achievement, athletic or other extracurricular ability, disabling conditions, or proficiency in the English language in the acceptance or rejection of applications for out-of-district students.

COURT ORDERED STUDENT PLACEMENT

Non-resident students who are placed by court order under provisions of the Idaho juvenile corrections or child protective acts and reside in licensed homes, agencies, and institutions will be received and admitted by the school district in which the facility is located without payment of tuition.

HOMELESS STUDENTS

Homeless children and youth as defined by the McKinney-Vento Homeless Assistance Act may attend any school district or school within a district without payment of tuition when it is determined to be in the best interest of that child.
