Academic Progress

Grade levels are conducting middle of year screeners in PreK-2nd grade. Our first graders are also taking the state required dyslexia screener that will be reported at the end of the month. First grade teachers will utilize screener data, plus holistic ratings of spelling, listening comprehension, written expression and penmanship, along with writing samples, to make recommendations to our evaluation team for additional intervention or testing. Students are goal setting as part of the middle of year screening process, to encourage growth and mastery.

Professional development is planned in January to reinforce the 7 Steps to Literacy Rich Classroom as well as best practices in teaching the syllable types and writing in the math classroom. Several of our teachers and staff members are leading a workshop about their work with the 7 Steps, critical thinking in math classrooms, behavior management, Daily 5 and self-care strategies.

Campus Events

PTO is in full swing with preparations for the upcoming Valentines Dance. Parents are donating items for raffle baskets and PTO will be assembling these at the next meeting. Our counselor has prepared materials for teachers to use during TX Holocaust Remembrance week at the end of January as well as updated classroom instruction materials for teaching CORE Essentials character lessons during PLC time. National School Counseling Week is February 3rd-7th and the 100th day of school celebration is on February 3rd. Our annual Valentines Dance will be held from 6-9pm on Friday, February 7th at the Seguin Coliseum.
