Overnight Field Trip Staff Request Form

School policy requires that the Board grant approval for any overnight trips. We will present all overnight field trip requests to the Board at one time for their consideration. If you are planning an overnight field trip, we need the following information.

Staff is responsible for reviewing all Health Alerts in PowerSchool and taking medications or other medical supplies with them on the field trip.

Name of Group or Organization: *

Waterford FFA

Teacher: *

Michael Wicks

Destination: *

Wisconsin Dells- Wilderness

Dates: *

August 29th- August 31st

Amount of school time/days missed by students: *

None

Purpose of Trip: *

Waterford FFA Officer team retreat. A trip meant for students to prepare and plan for the 2021-2022 FFA year as well as a time to relax and get to know one another.

Overnight Field Trip Staff Request Form

School policy requires that the Board grant approval for any overnight trips. We will present all overnight field trip requests to the Board at one time for their consideration. If you are planning an overnight field trip, we need the following information.

Staff is responsible for reviewing all Health Alerts in PowerSchool and taking medications or other medical supplies with them on the field trip.

Name of Group or Organization: *

EDD Class

Teacher: *

Kyle Rader

Destination: *

FABTECH Conference

Dates: *

9/12/21-9/14/21

Amount of school time/days missed by students: *

2 days

Purpose of Trip: *

I would like to attend the industry conference to learn about manufacturing methods, gain exposure to the field, and see firsthand different methods and solutions to engineering problems. The students should have chosen their yearlong capstone projects by this point, so they will be able to use this opportunity to get ideas for components they can use and speak to company representatives about pros/cons to different aspects of their projects. Students will also have the opportunity to attend a number of presentations by industry leaders and other leaders in STEM areas.

Mode of Travel: *

Driving

Cost of Trip: *

~\$150

Source of Funds: *

Student pay

Chaperones: *

Kyle Rader
