MEMORANDUM

To: Members of the Board of Trustees
From: Edgar Ponce, Research & Evaluation Administrator
Subject: HB 3 Goal Progress Monitoring—GPM 3.1—Meeting CCMR Criteria
Date: June 11, 2025

HISTORY:

Student Outcome Goal 3 is a 5-year goal that is measured annually. It is related to the A-F Accountability System and the College, Career, and Military Readiness (CCMR) point system. Each senior is expected to earn one CCMR point prior to graduation via at least 1 of 11 different ways.

Goal 3

SEISD will increase the percentage of College, Career, and Military Readiness (CCMR) points earned annually by SEHS seniors from 30% in May 2023 to $\geq 88\%$ by June 2028 as measured by the A-F Accountability System.

To measure our progress toward this annual goal, we examine Goal Progress Measure (GPM) 3.1.

GPM 3.1

The percentage of SEHS seniors earning a CCMR point by meeting any of the CCMR criteria will increase from 40% in May 2024 to $\geq 52\%$ by June 2025, as measured by the OnData Suite CCMR Early Warning System along with an internal tracker used by the campus and CCMR specialist at the campus.

RATIONALE:

GPM 3.1 can be measured using the program OnData Suite and an internal campus tracker. This program will give us CCMR data to determine which students are not on track to earn a CCMR point prior to graduation. We then use this data to target those seniors who do not have a path to a point, so that we may intervene prior to graduation. Along with the program the campus use their internal tracker to cross reference information.

CCMR is a “lagging” indicator in the A-F Accountability System. This means it runs a year behind. Our seniors from the class of 2024 will impact our 2025 accountability ratings. This report shares the OnData Suite CCMR percentage for the 2024 seniors which will impact our upcoming accountability ratings. That percentage shows that 73% of the 2024 seniors have the CCMR point, or 171 out of 234. Our target was $\geq 60\%$ after readjustments, so we are 13% above the CCMR secondary target according to the OnData Suite tracker and on track towards meeting Goal 3.

The mission of the San Elizario Independent School District is to graduate students with innovative skills for 21st-century careers by focusing on academic and social skills, fostering transformative practices, and building community support through positive relationships between home and school.
