
Note: Unless otherwise noted, the terms “video recording,” “video surveillance,” and “video monitoring” shall also include any associated audio recordings. In addition, the term “classroom” shall also include other special education settings subject to video and audio recording required by law.

To promote student safety, the District shall comply with requests for video and audio monitoring of certain ~~self-contained~~ special education classrooms as required by law. Regular or continual monitoring of video recordings shall be prohibited. Video recordings shall not be used for teacher evaluation or monitoring or for any purpose other than the promotion of student safety.

The special education director is responsible for coordinating the provision of equipment to campuses in compliance with the law.

The Superintendent shall ensure that administrative regulations are developed to implement this policy.

Requests

For Following Year

A parent of a student receiving special education services and whose placement for the following school year will be in a ~~self-contained~~ special education classroom eligible for video surveillance may request in writing that a video camera be placed in the classroom by the end of the current school year or by the ~~tenth~~ 10th business day after the student’s admission, review, and dismissal (ARD) committee determines the student’s placement, whichever is later. If such a request is made, the campus shall begin operation of the camera by the deadlines in law.

For Current Year

Written requests from a parent, assistant principal, principal, staff member, or the Board shall be submitted and processed in accordance with the procedures in law.

Response

As required by law, the District shall provide a response to the requester not later than the seventh business day after receipt of the request.

Notice

Before a camera is activated, the principal shall provide advance written notice to staff on the campus and to parents of the students assigned to or engaging in school activities in the classroom that video and audio surveillance will be conducted in the classroom.

Installation and Operation

The classroom subject to the request shall begin operation of video surveillance not later than the time frames required in law, except when the District is granted an extension of time.

When the District has installed video cameras in a classroom as required by law, the District shall operate the cameras during the

instructional day at all times when one or more students are in the classroom. For purposes of this policy, the instructional day shall be defined as the portion of a school day during which instruction is taking place in the classroom.

For the school year in which a campus receives a request for video and audio surveillance, the campus shall continue to operate and maintain any video cameras placed in the classroom for as long as the classroom continues to satisfy the requirements in Education Code 29.022(a). However, the campus may discontinue operation of the video camera during the year if the requester withdraws the request in writing and no request is submitted to continue the surveillance. Before a camera is deactivated, the principal shall provide advance written notice to staff on the campus and to parents of the students assigned to or engaging in school activities in the classroom that video and audio surveillance will be discontinued in the classroom and of the opportunity to request continued video and audio surveillance.

Video cameras must be capable of recording video and audio of all areas of the classroom, including a room attached to the classroom used for time out as defined by law. No visual monitoring, other than incidental coverage, shall be conducted of the inside of a bathroom or other area used for changing a student's clothes.

The District shall post notice at the entrance to a classroom in which video cameras are placed stating that video and audio surveillance is conducted in that classroom.

Retention of Recordings

Video recordings shall be retained for at least three months after the date of the recording but may be retained for a longer period in accordance with the District's records management program, or as required by law. [See CPC]

Confidentiality of Recordings

Video recordings made in accordance with this policy shall be confidential and shall only be released or viewed by the individuals and in the limited circumstances permitted by law. The following individuals shall have authority to view video recordings to the extent permitted by the Family Educational Rights and Privacy Act (FERPA):

1. A District employee or a parent of a student who is involved in an alleged incident documented by a recording and reported to the District;
2. Appropriate Department of Family and Protective Services (DFPS) personnel as part of an investigation of alleged abuse or neglect of a child;

3. A peace officer, school nurse, District administrator trained in de-escalation and restraint techniques, or human resource staff member in response to a report of an alleged incident or an investigation of an employee or a report of alleged abuse committed by a student; and
4. Appropriate Texas Education Agency or State Board for Educator Certification personnel or their agents as part of an investigation.

For purposes of this policy, the term “human resource staff member” shall include the Superintendent, a principal, an assistant principal or other campus administrator, and any supervisory position within the District’s human resources office. If an individual listed in items ~~2-42-4~~, above, believes that a recording shows a violation of District policy or campus procedures, the individual may allow access to the recording by appropriate legal and human resources personnel designated by the District for the purpose of determining whether a policy or procedure has been violated.

Any person who suspects that child abuse or neglect has occurred shall report this suspicion as required by law and District policy. [See FFG]

Reporting an Incident

A person alleging that an incident, as defined by law, has occurred in a classroom in which video surveillance is conducted shall file a report on the form provided by the District with the principal as soon as possible after the person suspects the alleged incident. If possible, an incident report form shall be filed within ~~48~~24 hours of the facts giving rise to the allegation. The principal shall promptly view, or direct an authorized individual to view, the video surveillance footage to identify the relevant portion of the recording. No later than 10 District business days after the report is filed, the principal or designee shall respond by notifying the person whether the alleged incident was recorded in the District’s video surveillance footage and shall initiate other steps as required by law, District policy, or local procedures.

Complaints

Complaints related to video and audio recordings under this policy shall be filed in accordance with DGBA, FNG, or GF, as applicable. A complainant who is dissatisfied with the outcome of the District’s complaint process may appeal in writing to the commissioner of education in accordance with Education Code 7.057 and 19 Administrative Code 103.1303. A parent, staff member, or District administrator may request an expedited review in accordance with 19 Administrative Code 103.1303.

Note: Unless otherwise noted, the terms “video recording,” “video surveillance,” and “video monitoring” shall also include any associated audio recordings. In addition, the term “classroom” shall also include other special education settings subject to video and audio recording required by law.

Relation to Essential Knowledge and Skills

The District shall establish instructional objectives that relate to the essential knowledge and skills for grade-level subjects or courses. These objectives shall address the skills needed for successful performance in the next grade or next course in a sequence of courses.

Assignments, tests, projects, classroom activities, and other instructional activities shall be designed so that each student's performance indicates the level of mastery of the designated District objectives.

Guidelines for Grading

The Superintendent or designee shall ensure that each campus or instructional level develops guidelines for teachers to follow in determining grades for students. These guidelines shall ensure that grading reflects a student's relative mastery of an assignment and that a sufficient number of grades are taken to support the grade average assigned. Guidelines for grading shall be clearly communicated to students and parents.

The District shall permit a student who meets the criteria detailed in the grading guidelines a reasonable opportunity to redo an assignment or retake a test for which the student received a failing grade.

Progress Reporting

The District shall issue grade reports/report cards every ~~six~~ six weeks on a form approved by the Superintendent or designee. Performance shall be measured in accordance with this policy and the standards established in EIE.

Interim Reports

Interim progress reports shall be issued for all students after the ~~third~~ third week of each grading period. Supplemental progress reports may be issued at the teacher's discretion.

Conferences

~~In addition to conferences scheduled on the campus calendar,~~ Each year, the District shall provide at least two opportunities for in-person conferences between each parent and the student's teacher. Additional conferences may be requested by a teacher or parent as needed.

Academic Dishonesty

A student found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct. Academic dishonesty includes cheating or copying the work of another student, plagiarism, the use of artificial intelligence to complete an assignment in part or in whole unless approved by the classroom teacher [see CQD], and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional employee, taking into consideration written materials, observation,

Release from School

A student shall not be released from school at times other than regular dismissal hours except with the permission of the principal of the school. The teacher shall determine that such permission has been granted before allowing the student to leave.

Exception for Released Time Course

For purposes of this policy, a "released time course" shall have the same definition as provided in law.

A student shall be permitted to attend a released time course in accordance with the following requirements:

1. The parent or guardian has provided written consent for the student to attend the released time course;
2. The private entity offering the released time course maintains attendance records and will make those records available to the District;
3. The private entity, parent or guardian, or student assumes responsibility for transportation, including transportation for a student with a disability, to and from the location at which the released course is offered;
4. The private entity assumes liability for the student enrolled in the released time course while the student is under the private entity's care; and
5. The student is responsible for any school work and assignments issued during the student's absence from the District.

The District shall be prohibited from using District funds, excluding de minimis costs, to facilitate the student attending a released time course.

A private entity shall be prohibited from offering the released time course on District property unless the use is in accordance with policy GKD.

The District shall not interfere with a parent's or guardian's ability to request or access a released time course for the student.

No employee shall give any student prescription medication, non-prescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as authorized by this or other District policy.

Medication Provided by Parent

The Superintendent shall designate the employees who are authorized to administer medication that has been provided by a student's parent. An authorized employee is permitted to administer the following medication in accordance with administrative regulations:

1. Prescription medication in accordance with legal requirements.
2. Nonprescription medication, ~~upon a parent's written request, when properly labeled and in the original container in accordance with legal requirements.~~
3. Herbal substances or dietary supplements provided by the parent and only if required by the individualized education program or Section 504 plan for a student with disabilities.

Medication Provided by District

Except as required by law and provided by this policy, the District shall not purchase medication to administer to a student.

First Aid

The District shall purchase certain topical nonprescription medications for use when administering first aid to students in accordance with administrative regulations.

The Superintendent shall designate the employees who are authorized to administer nonprescription medication under this provision.

Epinephrine

The District authorizes school personnel who have agreed in writing and been adequately trained to administer an unassigned epinephrine ~~delivery system, such as an auto-injector or nasal spray,~~ in accordance with law and this policy. Administration of epinephrine shall only be permitted when an authorized and trained individual reasonably believes a person is experiencing anaphylaxis.

On Campus

Authorized and trained individuals may administer an unassigned epinephrine ~~auto-injector~~ ~~delivery system~~ at any time to a person experiencing anaphylaxis on a school campus.

The District shall ensure that at each campus a sufficient number of authorized individuals are trained to administer epinephrine so that at least one trained individual is present on campus during all hours the campus is open. In accordance with state rules, the campus shall be considered open for this purpose during regular on-campus school hours and whenever school personnel are physically on site for school-sponsored activities.

<i>Off Campus</i>	Authorized and trained individuals may administer an unassigned epinephrine auto-injector delivery system to a person experiencing anaphylaxis at an off-campus school event or while in transit to or from a school event when an unassigned epinephrine auto-injector delivery system is available.
<i>Maintenance, Availability, and Training</i>	The Superintendent shall develop administrative regulations designating a coordinator to manage policy implementation and addressing annual training of authorized individuals in accordance with law; procedures for auto-injector delivery system use; and acquisition or purchase, maintenance, expiration, disposal, and availability of unassigned epinephrine auto-injectors at each campus, at off-campus events, and while in transit to and from a school event.
<i>Notice to Parents</i>	In accordance with law, the District shall provide notice of the policy to parents regarding the epinephrine program, including notice of any change to or discontinuation of this program.
Opioid Antagonist	This provision shall be applicable to each campus that serves students in grades 6-12.
<i>On Campus</i>	<p>The District authorizes school personnel who have been adequately trained to administer an opioid antagonist in accordance with law and this policy. Administration of an opioid antagonist shall only be permitted when an authorized and trained individual reasonably believes a person is experiencing an opioid-related overdose.</p> <p>Each applicable campus shall have at least one individual who is authorized and trained to administer an opioid antagonist present during regular school hours.</p>
<i>Maintenance, Availability, Training, and Reporting</i>	<p>Each applicable campus shall have at least two unused, unexpired opioid antagonist doses available.</p> <p>All opioid antagonists shall be stored in a secure location and shall be easily accessible by individuals who are authorized and trained to administer an opioid antagonist.</p> <p>The Superintendent shall develop administrative regulations addressing acquisition, maintenance, expiration, and disposal of opioid antagonists in the District, as well as reporting, employee training, and emergency notification requirements.</p>

In compliance with law, the Superintendent shall ensure that a multidisciplinary threat assessment and safe and supportive team is established to serve each campus. The Superintendent shall appoint team members. The team shall be responsible for developing and implementing a safe and supportive school program at each campus served by the team and shall support the District in implementing its multi-hazard emergency operations plan.

Training

Each team shall complete training provided by an approved provider on evidence-based threat assessment programs.

Student Reports

Each campus shall establish a clear procedure for a student to report concerning behavior exhibited by another student for assessment by the team or other appropriate District employee.

Employee
Confidentiality

A District employee who reports a potential threat may elect for the employee's identity to remain confidential and not be subject to disclosure under the state's public information law. The employee's identity shall only be revealed when necessary for the team, the District, or law enforcement to investigate the reported threat.

The District shall maintain a record of the identity of a District employee who elects for the employee's identity to remain confidential.

Notification to
Teaching Staff of
Threat

As soon as safe and practicable after an administrator or team receives information regarding a threat against a campus, including a threat made through social media, the appropriate administrator or the team shall immediately provide to each member of the teaching staff, including teacher aides, who may be directly affected by the threat a statement containing the following information:

1. The existence of the threat;
2. The nature of the threat; and
3. Any other pertinent detail to ensure student and staff safety.

The Superintendent shall develop administrative regulations to ensure that the required notice is provided to the teaching staff in accordance with law. The administrative regulations may also address notification of other appropriate employees on the affected campus.

Imminent Threats or
Emergencies

A member of the team or any District employee may act immediately to prevent an imminent threat or respond to an emergency, including contacting law enforcement directly.

Threat Assessment
Process

The District shall develop procedures as recommended by the Texas School Safety Center. In accordance with those procedures,

the threat assessment and safe and supportive team shall conduct threat assessments using a process that includes:

1. Identifying individuals, based on referrals, tips, or observations, whose behavior has raised concerns due to threats of violence or exhibition of behavior that is harmful, threatening, or violent.
2. Conducting an individualized assessment based on reasonably available information to determine whether the individual poses a threat of violence or poses a risk of harm to self or others and the level of risk.
3. Implementing appropriate intervention and monitoring strategies, if the team determines an individual poses a threat of harm to self or others. These strategies may include referral of a student for a mental health assessment and escalation procedures as appropriate.

For a student or other individual the team determines poses a serious risk of violence to self or others, the team shall immediately report to the Superintendent, who shall immediately attempt to contact the student's parent or guardian. Additionally, the Superintendent shall coordinate with law enforcement authorities as necessary and take other appropriate action in accordance with the District's multihazard emergency operations plan.

For a student the team identifies as at risk of suicide, the team shall follow the District's suicide prevention program.

For a student the team identifies as having a substance abuse issue, the team shall follow the District's substance abuse program.

For a student whose conduct may constitute a violation of the District's Student Code of Conduct, the team shall make a referral to the campus behavior coordinator or other appropriate administrator to consider disciplinary action.

As appropriate, the team may refer a student:

1. To a local mental health authority or health-care provider for evaluation or treatment; or
2. For a full individualized and initial evaluation for special education services.

The team shall not provide any mental health-care services, except as permitted by law.

Guidance to School Community	The team shall provide guidance to students and District employees on recognizing harmful, threatening, or violent behavior that may pose a threat to another person, the campus, or the community and methods to report such behavior to the team, including through anonymous reporting.
Reports	The team shall provide reports to the Texas Education Agency as required by law.

For a student the team identifies as having a substance abuse issue, the team shall follow the District's substance abuse program.

For a student whose conduct may constitute a violation of the District's Student Code of Conduct, the team shall make a referral to the campus behavior coordinator or other appropriate administrator to consider disciplinary action.

As appropriate, the team may refer a student:

1. To a local mental health authority or health-care provider for evaluation or treatment; or
2. For a full individualized and initial evaluation for special education services.

The team shall not provide any mental health-care services, except as permitted by law.

Guidance to School
Community

The team shall provide guidance to students and District employees on recognizing harmful, threatening, or violent behavior that may pose a threat to another person, the campus, or the community and methods to report such behavior to the team, including through anonymous reporting.

Reports

The team shall provide reports to the Texas Education Agency as required by law.

Note: See policies DHB and DHC for information on other required reports regarding alleged misconduct against a student.

The District shall notify a parent of a student with whom ~~an educator~~ District employee or a person acting as a service provider for the District is alleged to have engaged in misconduct, informing the parent:

1. As soon as feasible that the alleged misconduct may have occurred;
2. Whether the ~~educator~~ individual was terminated following an investigation of the alleged misconduct or resigned before completion of the investigation; and
3. Whether a report was submitted to the Texas Education Agency or State Board for Educator Certification (~~SBEC~~) concerning the alleged misconduct.

For purposes of this policy, misconduct is defined as an ~~educator's~~ individual's alleged abuse or commission of an otherwise unlawful act with ~~the~~ student or involvement in a romantic relationship, or soliciting or engaging in sexual contact with ~~the~~ student.

**Notice of Suspected
Criminal Offense**

Except as provided by state law regarding child abuse investigations, the District shall notify a parent not later than one business day after the date an employee first suspects that a criminal offense has been committed against the parent's child.

[See also FFG for reporting requirements related to child abuse and FFH for parental notification requirements regarding prohibited conduct as defined by that policy.]

**Program to Address
Child Sexual Abuse,
Trafficking, and
Maltreatment**

The District's program to address child sexual abuse, trafficking, and other maltreatment of children, as included in the District improvement plan and the student handbook, shall include:

1. Methods for increasing staff, student, and parent awareness regarding these issues, including prevention techniques and knowledge of likely warning signs indicating that a child may be a victim;
2. Age-appropriate, research-based antivictimization programs for students;
3. Actions that a child who is a victim should take to obtain assistance and intervention; and
4. Available counseling options for affected students.

Training

The District shall provide training to employees as required by law and District policy. Training shall address techniques to prevent and recognize sexual abuse, trafficking, and all other maltreatment of children, including children with significant cognitive disabilities. [See DMA]

[See BBD for Board member training requirements and BJCB for Superintendent continuing education requirements.]

**Reporting Child
Abuse and Neglect**

Any person who has reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 4824 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has reasonable cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

A person is required to make a report if the person has reasonable cause to believe that an adult was a victim of abuse or neglect as a

child and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of ~~educator~~ misconduct with a student, see FFF.]

Oral Reports

As required by law, an oral report made to the Texas Department of Family and Protective Services (DFPS) is recorded.

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A ~~state or local~~ law enforcement agency, [as defined in law](#);
2. The Child Protective Services (CPS) division of DFPS at 800-252-5400 or the [Texas Abuse Hotline website](#)¹;
3. A local CPS office; or
4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility. As defined by law, a person responsible for the care, custody, or welfare of a child includes school personnel and volunteers and day-care workers. [See FFG(LEGAL)]

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus principal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

In accordance with law, an individual must provide their name and telephone number when making a report. If the individual making the report is a school employee, agent, or contractor, they must also provide their business address and profession.

Confidentiality

The identity of a person making a report of suspected child abuse or neglect shall be kept confidential and disclosed only in accordance with the law and the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

**Failing to Report
Suspected Child
Abuse or Neglect**

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;
2. Violates the law and may be subject to legal penalties, including criminal sanctions for knowingly failing to make a required report;
3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
4. May have his or her certification from the State Board for Educator Certification suspended, revoked, or canceled in accordance with 19 Administrative Code Chapter 249.

It is a criminal offense to coerce someone into suppressing or failing to report child abuse or neglect.

**Responsibilities
Regarding
Investigations**

In accordance with law, District officials shall be prohibited from:

1. Denying an investigator's request to interview a child at school in connection with an investigation of child abuse or neglect;
2. Requiring that a parent or school employee be present during the interview; or
3. Coercing someone into suppressing or failing to report child abuse or neglect.

District personnel shall cooperate fully and without parental consent, if necessary, with an investigation of reported child abuse or neglect. [See GKA]
