Activities/Celebrations:

- **Perfect Attendance Field Trip to Park** - 120 students went to the park on June 4th. We had a picnic lunch, rootbeer floats, played outdoor games, and enjoyed the playground equipment.
- **Field Days** - On May 29 & 30 we had our K-3 & 4-6 Field Days. There were so many fun activities. The students had a blast. Thank you Mr. Perry, our PTO, and so many parent and staff volunteers.

Curriculum/Instruction:

- **Elementary PLC Professional Development Days – June 10th & 11th**
On Tuesday June 10 K-12 met with Kim Keaton to look at our Spring Data. Then K-6 grade-level Professional Learning Communities (PLCs) continued their work on developing Proficiency Scales and Common Formative Assessments (CFAs) aligned to essential standards for our new report cards.
- **WBCSD PLC Guided Coalition Convening in Boise** - June 9 & 10th
Our Guided Coalition presented the progress we have made this year, and were able to watch other Guided Coalitions share their accomplishments. It was great to see that we are on track, and get many great ideas from other teams doing PLC work in the state. We also attended a training on Design in 5, the essential phases to create engaging assessment practices.
