Consideration and Possible Approval of the Purchase of College Board AP Exams	Justification: The College Board AP program offers college-level courses and exams that students can take in high school. Taking AP courses and exams in high school gives students an advantage in college by allowing them 1) earn college credit and placement, 2) save money and time, 3) strengthen their college education, and 4) maintain flexibility in their academic path. The total estimate cost of the spring 2025 AP exams for grades 9th - 12th is up to \$68,850. The College Board AP exams contribute to the District meeting the CCMR Board Goal 1.2.
