

## Board Agenda

**Item:** VI. D. 1. Approve Schematic Design for a Replacement for Elementary #33

**Related goal(s):** Ensure effective and efficient quality systems

**Currently budgeted?** Yes  No  **Budgetary impact**

**Action**  **Report**  **Primary Contact Person:** Mr. Michael Coffey

WRA architects are here tonight to present the schematic design for the new Elementary #33. We are very pleased with this schematic and think you will be also. With your approval tonight, we will move forward on the development of the design and construction drawing. Our plan is to bid in February 2014 and have a GMP for you in March.
