

## **Mission - Goals - Objectives**

### **Nondiscrimination**

The District shall promote nondiscrimination and an environment free of harassment based on an individual's race, color, religion, sex, sexual orientation, gender identity/expression, national origin, ancestry, disability, marital status or age or because of the race, color, religion, sex, sexual orientation, pregnancy or related conditions, national origin, protective hairstyles, genetic information, status as a Veteran, status as a victim of domestic violence, alienage, ancestry, disability, or any other basis prohibited by law and prohibits discrimination, including harassment, in any education program or activity it operates, marital status or age of any other persons with whom the individual associates.

The Board shall provide protections from all forms of sex-based harassment, including sexual violence and unwelcome sex-based conduct that creates a hostile environment by limiting or denying a person's ability to participate in or benefit from a school's education program or activity.

The District shall take prompt and effective action to end any sex discrimination in its education programs or activities to provide for the prompt and equitable resolution of sex discrimination complaints, prevent recurrence, and remedy its effects. To that end, the District shall act promptly and effectively in response to information about conduct that reasonably may constitute discrimination, including sexual violence and other forms of sex-based harassment. The district shall also ensure that all school employees are trained about their obligations to address sex discrimination and their obligations to notify or provide contact information for the Title IX Coordinator.

The Somers Board of Education Non-discrimination policy includes protections for students, employees, and applicants against discrimination based on pregnancy, childbirth, termination of pregnancy, lactation, related medical conditions, or recovery from these conditions and shall provide reasonable modifications for students based on pregnancy or related conditions, allow for lactation for employees, and access to a clean, private lactation space for students and employees.

The District shall not disclose personally identifiable information obtained through complying with Title IX, with limited exceptions, such as when there had been prior written consent or when the information is disclosed to the parent of a minor.

Retaliation against anyone who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation or grievance process is also a violation of the Somers Board of Education's non-discrimination policy and is prohibited.

### **District's Other Designees Under Section 504**

[The Somers Public School District is required not to discriminate on the basis of sex by Title IX and its implementing regulations. Inquiries about Title IX may be referred to the District's Title IX Coordinator, the U.S. Department of Education's Office for Civil Rights, or both.](#)

In keeping with requirements of federal and state law, the District strives to remove any vestige of discrimination in employment, assignment and promotion of personnel; in educational opportunities and services offered to students; in student assignment to schools and classes; in student discipline; in location and use of facilities; in educational offerings and materials; and in accommodating the public at public meetings.

The Superintendent shall appoint and make known the individuals to contact on issues concerning the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1974, Title VI, Title VII, Title IX and other civil rights or discrimination issues. The Board will adopt and the District will publish grievance procedures providing for prompt and equitable resolution of student and employee complaints.

Federal civil rights laws prohibit discrimination against an individual because he/she has opposed any discrimination act or practice or because that person has filed a charge, testified, assisted or participated in an investigation, proceeding or hearing. ADA further prohibits anyone from coercing, intimidating, threatening or interfering with an individual for exercising the rights guaranteed under the Act.
