## Memorandum Item 9d

FOR: School Board Members  
FROM: Chris Reitan  
DATE: September 20, 2023  
SUBJECT: CMS Gym Boiler Replacement

The two CMS gym boilers are non-functional and can not be repaired. The district has purchased one Weil Mclain boiler to be installed to provide heat to our middle school gym during our upcoming heat season. CCSD solicited proposals from local contractors to install the new boiler when it arrives and received two proposals (Ketchikan Mechanical Inc. and Schmolck Mechanical Contractors). Ketchikan Mechanical Inc. submitted a proposal for \$25,917.19. Schmolck Mechanical Contractors submitted a proposal for \$21,500. Proposals are included with this memo for Board members' review.

Suggested Motions: Move to approve the proposal from Schmolck Mechanical Contractors to install the new Weil Mclain boiler for the middle school gym for \$21,500.
