Board Bylaw 9311, Board Policies:...Prior to adoption, policies shall normally be given two readings by the Board. At its second reading, the policy may be adopted by a majority vote of all members of the Board.

Issue Summary:

These is the second reading for these policies. The revisions recommended by AASB and the Policy Review Committee were accepted at the February regular meeting as noted below.

Board Policy 5124, Communication with Parents/Guardians, encourages school/family partnerships to improve outcomes for students and regular assessment of communication strategies for professional development on effective and positive/school communication.

Board Policy 5125.3, Withholding Grades, Diploma, or Transcripts, incorporates legal references on liability for acts of minors and family educational rights.

Board Policy 6161.2, Damaged or Lost Instructional Materials, clarifies the process for lost or damaged materials and liability for acts of minors.

Board Policy 6164.2, Guidance and Counseling Services, provides additional policy references on Health Care and Emergencies and Student Mental Health, a policy that will go before the Board as a first reading in March.
