Shaping Our Horizon:2030 A Comprehensive and Strategic Plan – Future Land Use Map Designation:

Horizon City Shaping Our Horizon: 2030 Comprehensive and Strategic Plan designates this property as Multi-Family. There are existing C-2 zoned properties to the west and north of the subject property. Portions of the Multi-Family designated area have transitioned to C-2 zoning district to the north and west of the subject property.

Staff recommends **APPROVAL** of the zone change from C-1 to C-2 in support of a variety of commercial uses proposed as those services and goods are needed in the community. The subject property is located adjacent to a major arterial and compatible C-2 commercial zoning districts to the north, west, and south of the subject property.

Planning Division Comments:

If the zone change is approved and the applicant chooses to install a crematorium, approval of a Specific Use Permit would be required.

The Planning and Zoning Commission may consider the following options and additional requirements that it identifies when reviewing this Rezoning application:

1. Recommend approval of the request for a rezoning to C-2 Zoning District as stated.

4. Recommend a set postponement should the Commission determine it is not prepared to make a final recommendation, the applicant requests a postponement or if the Commission needs additional information to make a final recommendation.
