

## D90 Board of Education Monthly Events of Significance

The following list is intended to provide an overview of essential Board of Education tasks that must be completed during the designated month(s) on an annual basis. This list does not include necessary reports on curriculum/instructional topics currently, nor reflect tasks related to administrative-level operations. However, our intention is to expand the calendar this fall to include designated meeting times over the course of the year when action objective goals and other critical updates will be addressed.

### July

- Board consideration of permissive transfer requests
- Enrollment update
