TO: Board of Education

SUBJECT: Multicultural Center Collection

DATE: June 28, 2016

The Intergovernmental Agreement for transfer of the multicultural collection and Bill of Sale for the collection have been reviewed by both the Library's legal counsel and legal representation for District 97. The attached document identifies the requested revisions by the Library board and two changes recommended by Robbins Schwartz. With the Boards approval, I request that these documents return to the Board for approval during the next Board meeting scheduled on July 12, 2016. This request is contingent on the fact that the Oak Park Library Board needs to approve the recommendations made by Robbins Schwartz prior to July 12, 2016.
