

Executive Summary

March 10, 2009

Continued Discussion of Denton ISD / City of Denton Development Processes

Board Goal

Goal 6(a): Review and adjust policies and procedures effectively to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community.

Purpose of Report

The Board will continue to discuss the processes used for construction of Denton ISD projects within the City of Denton.

Objectives

- To review again the information presented during the joint DISD / City of Denton meeting.
- To discuss additional data as available relative to this issue.
- To review and discuss a resolution requesting the City Council to consider the creation of a governmental tier for development and construction processes.

Operational Impact

Development of a new governmental tier for construction issues would save the district time and money as many processes could run concurrently.

Results

The Board will discuss the appropriate course of action to take following the discussion.

Other Options

Continue the existing processes where the district follows the development guidelines of a commercial entity.
