Cabinet Champion: Scott Vance, Assistant Superintendent for Teaching and Learning  
Date: May 27, 2025  
Re: Great Minds (Eureka Math<sup>2</sup>) Annual Curriculum Renewal

The Teaching and Learning department annually purchases materials, digital licenses, and instructional professional development in support of the approved Rock Island-Milan School District curriculum.

The digital components are the online teacher and/or student access to the curriculum as well as intervention materials for math, reading, and science. Listed below are the detail for this annual renewal:

**Great Minds: \$161,292.91**

- Eureka Math Squared Licenses: \$49,693.48
- Eureka Squared Math Materials: \$72,599.43
- Eureka Math Squared Instructional Professional Development: \$39,000.00

Eureka Math<sup>2</sup> is the approved math curriculum for Kindergarten through 5th grade. The Eureka Math<sup>2</sup> curriculum focuses on establishing a conceptual understanding of math rather than only relying on procedural skills. This approach will provide students with a better understanding and improve their college and career readiness.

It is recommended that the **Board of Education** approve the purchase of curriculum materials and digital licenses at a total cost of **(\$161,292.91)** from Great Minds, PO Box 200283, Pittsburgh, PA., 15251-0283.

**Investment Period: July 1, 2025 - June 30, 2026**  
**Total Investment: \$161,292.91**  
**Funding Source: Federal Funds**
