Re: Clay Demolition

We would like to discuss the bid results for the demolition of Clay School at the Monday, November 6, 2017, Building and Site Committee Meeting. Harry Lau, Administrator of Facilities and Operations, along with the Civil Engineering Firm, NTH, are recommending the lowest qualified bidder, Salenbien Trucking & Excavating, Dundee, Michigan, in the amount of \$440,000.00. There were 13 vendors that responded to the bid, of which, two did not meet the District's bid specifications. This is Sinking Fund expenditure. The recommendation letter from Mr. Lau, as well as the bid tabulation, is attached for your review.

Please let me know if you have any questions or concerns.
