

Visioning and Planning

Who are we? *(Core values? Defining qualities? Reason for being? Compelling purpose?)*

Where are we? *(Environmental developments? Strengths and weaknesses?) Threats and opportunities?)*

Where are we going? *(Vision? Goals? Direction?)*

How will we get there? *(Strategies? Draft Actions?)*

How will we know we are there? *(Assessment? Monitoring? Reporting?)*

Stages of Planning

Stage One

- Orientation to planning and communication
- Spring-summer 2020

Statge Two

- Systems Planning: retreat and organization
- summer-fall 2020
