To: "Appropriations (Murkowski)" <Appropriations_@murkowski.senate.gov>

Dear Applicant,

Thank you for your patience as our office worked through the Congressionally Directed Spending requests for Fiscal Year 2027. We truly appreciate the time and effort you put into your application and your ongoing commitment to improving the lives of Alaskans. We are writing to notify you that the lists of projects Senator Murkowski has officially submitted to the Senate Appropriations Committee for further consideration are now available on our website here: [FY27 Appropriations and CDS Requests](#)

If your project was advanced you should have already received a direct notification from our team. If you see your project listed but did not receive a personal email, please reach out to us so we can ensure we have your correct contact information.

If your project was not submitted, please know that this is often not a reflection of the merit of a proposal. Each year, many strong projects are not advanced due to strict account-specific eligibility criteria or constraints on the number and type of projects that are likely to receive funding from committee.

While we cannot advance every project, we appreciate your continued efforts on behalf of your community. Our office is happy to provide letters of support for federal grant applications to help you secure alternative funding. If you have questions regarding your specific application or wish to better understand the selection criteria for future cycles, feel free to reach out to our staff.

Thank you again for all you do,

Best regards,

Office of Senator Lisa Murkowski
