Motion:

Panel Member	Vote	Reason/Comment
Phil Baldwin	<input type="checkbox"/> For <input checked="" type="checkbox"/> Against <input type="checkbox"/> Abstain	I voted to table the application since I considered this approach an appropriate incremental action in developing a complete application. I voted against the motion since I do not see this as an incremental action. The application needs more clarity.
Dr. Sonja Wright-McMurray	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Although I agree with the need to ensure students with special needs have access to high-quality and equitable education. The application submitted on behalf of the Omni school needs substantial work to provide clear explanation of financial, administrative, and educational structure. I encourage the applicants follow up with ADE and APSRC to receive additional resources.
Toyce Newton	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	The applicant failed to have continuity in the required components. Some include the chain of command, segregation of duties,
Karli Saracini	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the denial based on the fact they need to bring back a more detailed plan to fully address all concerns.
Dr. Eric Flowers	<input type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	
Kim Davis	<input checked="" type="checkbox"/> For	

	<input type="checkbox"/> Against <input type="checkbox"/> Abstain	Lack of clarity regarding administrative roles, fiscal guardrails, and Special Edu. student services.
Mark Zellner	<input type="checkbox"/> For <input checked="" type="checkbox"/> Against <input type="checkbox"/> Abstain	I did not support the denial as I felt the amount of work already done on the application was significant and warranted allowance of the applicant to cure the issues prior to the next cycle,
