

Consider approval of  
classroom furniture and equipment for multiple campuses

1. Background

This coming school year the District will be opening the new Alvarado Elementary, the new addition to SW Legacy High School, and three renovated elementaries (KRE, ECE, and SWE). District staff will need to furnish new furniture for the Alvarado and Legacy projects in addition replace all classroom furniture at the renovated elementaries similar to what was done at the Bob Hope Elementary Renovations and Additions last summer.

2. Process

District staff received and compared quotes for the furniture products needed from multiple furniture vendors. After that review, district staff is recommending we purchase the new furniture from \_\_\_\_\_ under their Buyboard / Co-op Contract. \_\_\_\_\_ provides the best value for the District.

3. Fiscal Impact

The furniture purchase will be in the amount not to exceed \$\_\_\_\_\_. This purchase will be funded by 2023 Bond funds.

4. Recommendation

It is recommended that the Board approves the purchase of the new furniture from \_\_\_\_\_ at a cost not to exceed \$\_\_\_\_\_ for the multiple campuses referenced above.

5. Required

Board action.
