Homecoming Week: September 15-19, 2014

Homecoming this year will be on September 19th. The Varsity and Jr. Varsity football teams will play Marsing High School, JV will play on Thursday night at 6:30PM, Varsity will at 7:00 PM Friday night. The weekly activities between classes will happen during the week, Monday – Thursday. The class competitions that have traditionally happened on Friday, including the parade, will continue to happen on Friday. Our goal is to protect the class time during the week as much as possible. Those students who want to participate in Fridays activities will find a way to get to the school. The homecoming parade will happen just like a 4th of July parade, those who want to come and watch will be there.
