I was born and raised in Odessa, Texas until the age of 10 yrs-old when my family went to live in Puerto Rico, where my father worked for 7 yrs. We later returned home, where I graduated from Permian High School, attended Odessa College where I earned an Associates in Applied Science Degree, then went on to graduate with two Bachelor Degrees one in Speech one in Spanish, I earned a Masters Degree in Public Administration-Leadership in 2006 all from The University of Texas of the Permian Basin.

I've been married to Peter Rivera-Weiss, whom I met while living in Puerto Rico and we have two wonderful grown sons Jonathan and Michael. We now have a wonderful grandson Brennan who is 9 1/2 yrs. old and his baby sister who is 3 1/2 months old.

Odessa College is where I work, I've had the privilege of working there since 2002 am currently in the Office of Disability Services/Student Services I provide services and guidance to special populations, students with disabilities and diverse backgrounds with different needs. I enjoy doing volunteering, travelling and spending time with family. Community involvement is important to me, I enjoying helping people and encouraging our youth and families. I currently serve on the Board for our Family Health Clinic, present at our local Parole Office on a monthly basis and also at our Youth Center.
