Club Goals: Community Service; development of future leaders, and the development of a more rigorous academic community.

National Honor Society is an honorary organization for students who have a 3.0 Grade Point Average or higher.

The bylaws of the Browning High School Chapter of National Honor Society require that members be selected

by a Faculty Council which is appointed by the principal. This committee is responsible for

the selection of students. The goal of the club is to meet on a regular basis and to plan and be involved

in community service activities.

Proposed Meeting Dates: Club members will meet once monthly. Meetings will take place either during
first lunch, before/after school, depending on what time works best for all club members.

Summary of Proposed Club Activities: meet on a monthly basis, organize and participate in community
service activities, mentor new applicants eligible for induction into National Honor Society, induct eligible new
members in to National Honor Society.

If funds are needed for the induction ceremony and/or if the students members decided to offer scholarships

to graduating NHS seniors, fundraising activities, such as bake sales, will need to occur.

All sponsors must keep sign-in sheets for ALL meetings and sign-in sheets will include the date of the meeting and SIGNATURES of STUDENTS attending. These sign-in sheets will be turned in at the end of the year prior to receiving the stipend.
