Solutions/Parent Meeting: Open House was done the first week of school. We had 20 parents attend

Challenges: Due to my absences the first week staff were back , we have been playing catch up. We have been meeting when we can to get everything in order. There is still more planning to do, as myself and Joann are coming back into a different system.

Positives: We are starting the school year with 30 students. Mrs. Powell has been a great addition to the school. We have Stan Whiteman coming out weekly to work with our students. Our Environmental Educational partnership with Glacier National Park is off to a great start.
