Policy: JHCA
Adopted: 9/18/06
Readopted:

MANDATORY IMMUNIZATION FOR ADMISSION PHYSICAL EXAMINATIONS FOR STUDENTS PARTICIPATING IN EXTRACURRICULAR ACTIVITIES

~~Principals shall be responsible for implementation of the immunization policy as per the following regulations:~~

- ~~1. Each principal shall conduct a primary evaluation of each student's records previously on file or newly submitted to determine whether the student is entitled to enroll or continue in attendance by reason of having submitted a statement that complies with the requirements.~~
- ~~2. If the records do not comply or are not received within 30 days, the principal shall notify the local health department and shall transmit any records concerning the student's immunization status to the department.~~
- ~~3. The department shall provide for a secondary evaluation of the records to determine whether the student should be excluded for non-compliance with the requirements. If the student is determined to be in non-compliance, the Health Department shall issue an exclusion order and shall send copies of the order to the parents and the principal. On the effective date of the order, the principal shall exclude the students from the school and shall not allow the student to attend until the requirements have been met.~~
- ~~4. The principal shall readmit the student to school when, in the judgment of the local health department, the child is in compliance with the requirement. The Health Department shall return the records of the student.~~
- ~~5. The principal shall be responsible for updating the parent's or physician's statements as necessary to reflect the current status of the immunization of the student and the time at which the student comes into compliance with immunization requirements.~~
- ~~6. Exemption from immunization requirements will be granted provided a properly documented religious or medical exemption is signed. The parent may sign the religious exemption. A physician or a County Health Department representative must sign the medical exemption.~~

Students in grades 6 through 12 are to have physical examinations performed prior to participation in extracurricular sports. "Participation," as used in this policy means participation in sports practices and interscholastic sports competition. The physical examination must be conducted by a physician possessing an unrestricted license to practice medicine, a licensed naturopathic physician, a licensed physician assistant, a certified nurse practitioner or a licensed chiropractic physician who has clinical training and experience in detecting cardiopulmonary diseases and defects.

Students who continue to participate in extracurricular sports in grades 6 through 12 shall be required to complete a physical examination once every two years, thereafter.

Students are required to submit to the district the OSAA approved Pre-participation Examination¹ form prior to their participation. This form is to be completed and signed by a parent and physician, giving clearance and permission for the student to participate and authorizing emergency medical treatment and/or transportation to a medical facility, as necessary. The district shall require a student to have an
