BEST 4 ELLs Grant & Training

The BEST 4 ELLs Grant was funded in May of 2012 to develop bilingual and ESL teachers, particularly in the areas of Science and Math instruction. The summer academy is for in-service teachers.

For the ESL teacher, sessions on language development and cognates will be delivered. For the bilingual teacher, review of academic Spanish and language development will be presented. All teachers will participate in sessions that are filled with classroom strategies with an opportunity to share effective instruction teacher to teacher.

Degrees & Coursework

The BEST 4 ELLs grant also offers scholarship and book money for graduates and undergraduates who wish to pursue degrees related to bilingual and ELS Education

"Teacher to Teacher" Approach

The academy's approach for this training is a "teacher to teacher" approach, where teachers will share with each other as well as participate in sessions designed for bilingual and ESL classrooms.

Follow up visits to classrooms by UTPB staff will be provided throughout the 2013-14 school
