Hi Chris,

I had a thought on the calendar.

The first week of October is sometimes too early for teachers to have the information they need for parent/teacher conferences. Is there any way we could push it back to maybe the end of the quarter instead of right after mid-quarter? I feel like many teachers would be better prepared and able to address any concerns they have about students and have better information for the parents.

Thanks for asking for input.

Good morning,

Attached is a draft calendar for the 2022-2023 school year. The attached draft calendar mirrors our current school year calendar, except that the dates have been updated.

The CCSD Board will be reviewing the CCSD 2022-2023 School Calendar during the October 27, 2021 Board meeting as a first reading.

Please reply to this email with recommended adjustments to the Draft 2022-2023 CCSD School Calendar. I will save all recommended adjustments and present to the CCSD Board during their October 27 Board meeting for their review and consideration.

Thanks in advance for your help with this matter.
