SUBJECT: Consider Approval of Policy JHCD - Medications

In conjunction with the related policy, there have been several changes in Oregon law and administrative rules around administration of medication to students and for student self-administration in a school/district setting.

Not only does this result in changes to the policy it also results in the recommendation to delete the current administrative regulation JHCD/JHCDA - AR and replace it with the proposed JHCD - AR. This will align directly with the recommended changes to this policy.

Administration recommends the deletion of the current administrative regulation JHCD/JHCDA - AR and replace it with the proposed version JHCD-AR as presented.
