

UNITY EAGLES

Unity Career and College Fair: An Exciting New Tradition!

On Wednesday, February 1st, Unity High School senior students had the incredible opportunity to connect with nearly 40 local businesses, technical colleges, and 4-year universities. The students were blown away by the incredible conversations and career opportunities that they were exposed to during their two-hour fair. This activity is one that Unity School District will look to build upon in the years to come. Creating an opportunity for Unity High School students to

connect with local businesses and post-secondary institutions is incredibly important for ongoing community growth and industry. While this year was primarily focused on the senior students, future fairs will involve high school students at all four levels. As each level is at a different place in their preparation for post-secondary life, this opportunity will prove to be rich for all involved. Unity School District is beyond grateful to all of the representatives that attended this incredible fair!

EXCITING EVENTS Check out the Unity Website

Congratulations to the Unity Wrestling Team for placing 3rd at the Conference Tournament on Saturday, February 4th. Many wrestlers did well and sophomore student, Jack Ross, rose to victory as the Conference 1

The Unity FFA had the fun opportunity to attend the World's Toughest Rodeo. The group had a lot of fun at the event and were able to spend some quality time as a club! 2

Unity School District and the Unity FFA would like to extend a large amount of gratitude to Polk Burnett for their generous \$1,000 donation towards the spring Ag On The Lawn event! 3

This trimester, eight Unity High School seniors are completing a CDL Class A program through Northwood Technical College. It has been an excellent experience and Unity looks forward to future opportunities as well! 4

Congratulations to Piper Nelson, Isaac Zahler, and Jillian Fisher for earning the opportunity to try out for the State Honors Band and State Honors Choir. Good luck to the three of them as they pursue this exciting endeavor! 5

"Practice like you have never won...compete like you have never lost."

Unity High School Powerlifting Club

Over the past few years, Brian Collins has been working with numerous student-athletes to establish a Unity Powerlifting program. While many students participate in Unity's winter extracurricular activities, the Powerlifting Club creates a unique opportunity for students across the board to participate in a healthy and growing sport. The Unity Powerlifting

Club has seen growth over the last two years because of the large amounts of success that former student, Jayda Heilig, experienced as a powerlifting competitor. This year, four students have already qualified to compete at the State level, and Mr. Collins hopes that several more will qualify in the coming weeks. Keep up the great work!
