Re: Technology & Assessment Executive Summary

Daniel Wright Guardian Summaries (in Google Classroom) Pilot

- The official pilot window ended October 11.
- Surveys were sent out, are now closed.
- A team is meeting the week of October 28 to discuss the survey data and make plans for next steps.

LPV-S4 = Our new monthly Cybersecurity and Physical Safety Emails

- The first email was sent at the end of September. We had 85 staff members participate by answering the two questions.
- A follow-up email was sent with answers and resources related to the topic of each question.
- The 2nd edition will be sent out the last week of October.

Assessments

- Makeups for the CogAT assessment are wrapping up.
- A date for mailing out the results has not been finalized, but it will most likely happen by mid-November.

AI

- We are planning to evaluate two Education focused AI platforms in the near future to see if they could assist both with administrative tasks and with learning.
- The two platforms are:
 - SchoolAI
 - MagicSchool.
- More info to come.
