## CURRICULUM & INSTRUCTION

### **SBE June Curricula & Instructional Development Planning**

SBE Week held June 12th-15th was a HUGE SUCCESS! Teacher, EK-12 used the 40-hours of instructional planning time to update and develop instructional frameworks to include a LITERACY focus for the 23-24 school year. Listening, Speaking, Reading, and Writing were the objectives across content areas. Teachers took the opportunity to improve their instruction by developing instructional maps, pacing guides, developing curricula, implementing vocabulary lesson frameworks, participating in written expression PD, and developing building-level implementation plans for the district writing assessment. The week's full objectives are below:
