VOLUME LXII

FOR ACTION

SUBJECT: Technology Budget/Purchases 2025-2026

Background and Findings:

The 2025-26 budget year would include the purchase of 600 Chromebooks for students at all buildings, 12 Chromeboxes for Adult Education, laptops and probooks and a wireless overhaul for students and staff. These purchases are requested from the State SPOT bid, meaning they have already vetted the lowest prices available.

Recommendation:

It is recommended the Board approve this request for purchase
