

Board of Education

INFORMATION

TITLE: Update from the Technology Department

DATE: May 18, 2026

RESPONSIBLE ADMINISTRATOR: Vance Gregory
Executive Director of Technology

BACKGROUND/CONSIDERATIONS:

The presentation to the Board will provide an overview of the cybersecurity updates implemented during the 2024–2025 and 2025–2026 school years, as well as planned cybersecurity initiatives and improvements for 2026–2027. The presentation will also include a summary of Arkansas legislative acts related to cybersecurity from the 2023 legislative session.

RECOMMENDATION:

This is an information only item. No action required
