Motion	I move to approve the Memorandum of Understanding between Harris County Public Health (HCPH) and Crosby ISD for the Community Health & Wellness Division (CH&W) – Substance Use Prevention Services.
Administrative Recommendation	The Administration recommends the approval of the Memorandum of Understanding between Harris County Public Health (HCPH) and Crosby ISD for the Community Health & Wellness Division (CH&W) – Substance Use Prevention Services.
Authority for this Action	Board Policy, EHBAC(LEGAL)
Goal/Objective Addressed	Community Relations Through communications and customer service, Crosby ISD will create an informative and responsive culture while maintaining a welcoming environment to all.
Background	Harris County Public Health (HCPH) provides comprehensive health services and programs to the community through approximately 900 public health professionals. Their mission is to protect health, prevent disease and injury, and promote health and well-being for everyone in Harris County by building partnerships, and establishing responsive systems. HCPH's jurisdiction serves 2.5 million community members living in unincorporated areas of Harris County (outside the city of Houston) and 30 municipalities. HCPH is dedicated to promoting and protecting the health of community members by not just providing direct services but also serving as the county's Public Health Strategist. This affirms our vision for Harris County, where all people can achieve their full potential for health and well-being regardless of their circumstances.
Staffing Implications	N/A

Budget Information	Crosby ISD and HCPH understand and agree that neither Crosby ISD nor HCPH are appropriating any funds for the services.
Impact of this Action	Through partnership with Harris County Public Health, the Crosby ISD community will gain access to comprehensive health expertise, coordinated services, and strategic support that strengthen student and staff well-being, reduce health-related barriers to learning, and promote healthy school communities.
