

# Action Sheet

**MEETING DATE:**

**March 31, 2021**

**AGENDA ITEM:**

**Discuss and consider submitting a TEA waiver for the CPR instruction requirement for seniors graduating 2021**

State law (TEC §28.0023) requires school districts and open-enrollment charter schools to provide instruction in cardiopulmonary resuscitation (CPR) to students in grades 7 through 12, and students must receive the instruction at least once before graduating from high school. If seniors in 2020-2021 have not received the required instruction in CPR, a school district may request a waiver of the requirement from the Commissioner. GISD Administration is requesting permission to submit a waiver for seniors who have not received the required instruction.

**RECOMMENDATION:**

I move that the board approve the application for the TEA waiver for required CPR instruction for seniors graduating 2021.
