Freshman Center Activities Report

Mathletes - On Tuesday, February 10th, 2026, the Morton East and Freshman Center Mathletes competed against all 16 schools in the championship for the West Suburban Math League, hosted by Willowbrook High School. We would especially like to congratulate our MVP for the season, Santiago Zarco. The highlight of the competition was Pedro Alvarez getting 1st place in the Algebra 2 individual competition with a perfect score!!! Bryan Gaborit-Moran also got 4th place in the individual Algebra 2 competition. The Calculator team got 4th place Other top individual scorers were Santiago Zarco (PreCalculus), Evelyn Miranda (Geometry), and Claudia Pina (Algebra 1). Top overall team finishes for the season were: Algebra 2 (5th), Pre-Calculus Individual (7th), Calculator (5th), Junior/Senior Relay team (7th) Congratulations to all the Mathletes and their coaches: Rachel Hosek, Barb Kane, Kevin Volk, and Matt Horvath!

MVP Santiago Zarco

Student of the Month – On Thursday February 27th Student council hosted Student of the Month breakfast. Students were recognized by their teacher and families were invited to the event to celebrate our amazing students.

Band: Morton Freshman Center band invited Unity Band to join them on the evening of February 11th to promote the program and foster collaboration between the two bands. The student showcased their talents for families.

Black History Month Assembly: Black History Month Assembly: On February 20th Morton Freshman Center came together to celebrate culture, heritage and tradition. The Morton Freshman Center band performed, student spoke of impactful achievements and folkloric dancers connected African and Hispanic cultures.
