Foodservice Report

AUGUST 2016

- For the month of August we served 18,654 lunches and 15,412 breakfasts in seven days of school. This year we served (83) fewer lunches and 165 more breakfasts than we did for August of last year.
- Our claim for the month of August 2016 is 70,234.62. That is an increase over last year by 22,670.66. There is an increase of nine cents for free and reduced meals this year and we did serve seven days this year compared to five last year.
- We started out the year with everything working fairly well. We have had a few bumps in the road, but everything is working smoother as we go.
- We have interviewed and asked for the hiring of three new sub cooks and we hope to be able to hire three more sub cooks.
