Re: Bid Results for Auditing Services on Michigan Public School Bonded Construction Funds

We would like to discuss the bid results for Auditing Services on Michigan Public School Bonded Construction Funds at the Finance Committee meeting on Monday, November 3, 2014.

The request for quotes (RFQ) was made available on September 24, 2014. We accepted clarifying questions through October 10, 2014. The bid responses were due on October 24, 2014. We have received three responses from certified public accounting firms. These bid responses are available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms.

On Monday, November 3, 2014 at the Finance Committee Meeting we would like to discuss the attached bid tabulation with the Board of Education. As always, please let me know if there are any additional questions.
