Kit Definitions

Grade Level Bundles

- Contains all of that grade's Durable Kits for (1) teacher to teach (1) class section of 32 students for that grade's topics. Print Teacher Edition Sets, Measuring Device Kits, and Appendix Kits Available Separately

Equipment Kit

- Provides equipment for (1) teacher to teach all (12) units of IQWST.
- Designed for (1) teacher that is purchasing units individually rather than any of the Grade Level Bundles

Durable Kits

- Contains non-consumable items and consumable items for (1) teacher to teach (4) class sections of 32 students

Four Section Refill Kits

- Contains consumable items for (1) teacher to teach (4) class sections of 32 students
- PS3 does not have a Section Refill Kit

Appendix Kits

- Contains non-consumable and consumable items for (1) teacher to teach only the appendix lessons to (4) class sections of 32 students
- Not included in any grade level bundles

Four Section Plus Appendix Refill Kits

- Contains consumable items for (1) teacher to teach the regular lessons and the appendix lessons to (4) class sections of 32 students

Measuring Device Kits

- Contains measuring device materials (1) teacher
- Not included in any grade level bundles

Safety Kit

- Contains safety/impact goggles and vinyl aprons for (30) students
