

## PROPOSED REVISIONS

### Vision

Empowered students. A future-focused community.

### **Mission**

Crosby ISD is committed to protecting, preparing, and empowering every student for lifelong success in an ever-changing world.

~~The mission of the District is to produce literate, responsible citizens capable of learning and applying academic and social skills successfully in any life setting.~~

### **Portrait of a Graduate**

Through the educational experiences we provide our students in pursuit of this mission, Crosby ISD commits to developing academically prepared graduates who are:

- Effective communicators
- Kind
- Emotionally intelligent
- Goal-oriented
- Service-minded
