**Option 61829182**

1. Subject to receipt, review and acceptance of information contained in SNCC's Employee Concentration Supplemental Information (08/04) form prior to binding.
2. This Agreement will include coverage for Workers' Compensation loss caused by acts of terrorism as defined in the Agreement. Coverage for such losses will still be subject to all terms, definitions, exclusions, and conditions in the Agreement, & any applicable federal and/or state laws, rules, or regulations. Be advised that, under the Terrorism Risk Insurance Act of 2002 as amended, terrorism losses would be partially reimbursed by the U.S. Government under a formula established by the Act. Under this formula, the U.S. Government would generally reimburse 85% of covered terrorism losses exceeding a deductible paid by us. The Act contains \$100 billion cap that limits the reimbursement from the U.S. Government as well as from all insurers. If aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced. The portion of the EMPLOYER's annual premium attributable to coverage for losses caused by a certified act of terrorism is: 0.5%
