

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: July 25, 2017

TITLE: Approval of New Course PATH Lab

BACKGROUND:

Personalize Alternative Track High School (PATH) Lab will be offered to students at Amphitheater High School who will be participating in the Alternative Education Pilot Program. The PATH Lab will allow students the opportunity to recover credits through the use of on-line curriculum and direct instruction. The lab will be similar to our Math Lab that we currently use at all three high schools. The PATH Lab will use on-line curriculum provided by Edgenuity, our current on-line curriculum vendor. The direct instruction will be provided by current Amphitheater High School teachers. This blended learning approach will allow students the flexibility of working at their own pace while being given the support and expertise of highly qualified teachers. This model has been proven to be successful at all three high schools.

RECOMMENDATION:

The administration recommends the Governing Board approve this new course and title.
